BOOMPPODS™

music : anywhere : everywhere

about us...

"We choose to go to the Moon"

- John F. Kennedy.

We started as DT Design, which was established as a homeware design and manufacturing business working with major UK and International Retail brands.

Boompods was Launched in 2012 with a vision of uniting visually appealing homeware design with product innovation a love of sport, the outdoors & adventure.

Boompods now has its headquarters in UK, and operations in Hong Kong and China.

Simplicity by design, what seem like obvious design solution to us at BoomPods allows for intuitive solutions allowing our users to simply switch on and go!

Durability, designed by sports people for sports people, well thought design, through extensive use in tough environments, allowing all users to benefit longevity and user experience.

Extensive product range provides something for everyone to incorporate into daily and active lives.

The “Pod” - ergonomic, natural forms. & UFO'S

what makes us different...

rokpod

the little speaker with a big heart

Massive sound through nano speaker technology and a passive bass system. Designed to be truly shock and water resistant, with a multi-layered design that makes it rock hard.

Features an integrated braided cable, inspired by climbing ropes, that's strong enough to hang with you on your next adventure.

Aquablaster - Boompods Alexa enabled portable speaker
Alexa enabled so you have all the information you need at a touch of a button. Launch the Boompods app and access Alexa wherever you are. Compact, tough, and waterproof. Mount on your bike, use in the shower or hang off your bag, the perfect travel companion.

aquablaster
Ultimate travel companion

A close-up photograph of a person's hand pointing at a small, white, dome-shaped smart speaker with a perforated grille. The speaker is mounted on a bicycle handlebar. The background is a blurred sunset over a body of water, with the sun low on the horizon, creating a warm, golden glow. The overall scene suggests a lifestyle of outdoor activity and smart connectivity.

"Alexa, what time is sun set today?"

aquablaster

includes: bike mount, karabiner, wall sucker & safety lanyard.

*block*blaster™

36W

shake the block

Sound like no other in its class.

Not a typical Bluetooth speaker, this is a Hi-Fi speaker. The Blockblaster has 4 professional quality drivers, 2 cover the high tones and 2 the middle notes, we also added 2 Boompods designed passive bass membranes which together produce an incredibly well balanced high fidelity sound with huge bass that will seem unbelievable from such a compact design.

This blockblaster is so capable we have designed it to be enjoyed everywhere. Stream you favourite tunes at home, boost your TV by using as a sound bar, wirelessly pair a second so you can create a full room sound. Fully waterproof you can use in the garden, by the pool or on the beach. Disappear off the grid with an integrated backup powerbank to keep you charged and 12hrs music play time.

Sync & charge Lightning to USB cable

Incredibly strong stylish Armour braided USB to Apple Lightning cable, with Boompods BOOMFLEX strain relief junction making a cable strong enough to go on any adventure and quickly sync and charge to your mobile devices.

BOOMFLEX™
keep bending

BOOMFLEX technology holds the cable strong but allows internal movement stopping possible internal fractures over time. Armour tensile weave technology is at the heart of each internal wire adding further strength, and if that wasn't enough we added a larger piece right at the core creating a virtually indestructible backbone to hold it all together.
