

2068-BK PowerPlus USB-C

This MFi certified PD cable with premium double-braided nylon and flex-rubber joints on each end is built to last. Not only is USB-C the future, as it is replacing USB more and more, it is also made for higher transfer speeds for both power and data. Each cable comes with a brandable, vegan leather bind, to keep your cable tidy and your logo visible.

FEATURES

Extra long 2 M cable - MFi certified - Power Delivery - fast charging - Textile cables for extra durability - Flex connectors: tested for 20,000+ bending lifespan - Leather cable binder for neat storage and branding - Data & power transfer
