

4129-WT Xoopar Bio 25 Mechanical Timer

Make time work for you, not against you. This is the secret of the popular pomodoro technique. With this you divide your day into short 25-minute units (the 'pomodoros'), in which you work continuously on one specific task. In between, take a 5-minute break with the result: get more done, the quality of your work improves and keep a better focus. Not only useful at your workplace, but also in the kitchen, household tasks, in the classroom...
