

7303-BK Valenta Key Organizer

The Valenta Key Organizer is a beautiful and practical accessory. The unique locking mechanism makes it possible to bundle up to 7 keys in an organized manner. The leather strap prevents your keys from leaving scratches where you don't want them. You can easily turn each key from the bundle individually to use. The handy supplied D-ring attachment also ensures that you always and easily carry your car keys and other items with you.

FEATURES

Genuine leather - Holds 2-7 keys - Functional protection - Keep your keychain organized and structured - Engravement from 50 pieces - No more dangling keys - Compact design
