

## 8102 aquapod

Aquapod is the ultimate go anywhere speaker due to its compact size, tough construction, rubber bumper and IPX7 waterproof rating. Despite being pocket size it pack a 70db punch with crystal quality sound using the latest bluetooth 4.0 technology. Never miss a call or skip tracks even when you're in the shower due to the integrated mic, volume control and skip button functions. With its accessories you can mount on your bike, stick to the shower wall or hang off your bag.
