Fast Car Charger with built-in tracker

Bring 2-Device Fast Charging to your car with a built-in smart tracker seamlessly integrated with the Apple Find My network or Android's Find Hub. This innovative charger not only powers your devices but also ensures you never lose track of your car.

The smart tracker works with both Apple and Android networks, allowing you to easily locate your vehicle from your mobile device. Whether you're in a crowded parking lot or an unfamiliar location, you can pinpoint your car's exact location on the map.

Equipped with PD 3.0 USB-C and QC USB ports, this charger lets you power two devices (Apple and Android) faster than ever. Charge a Galaxy S21 up to 80% and an iPhone 13 up to 60% in just 30 minutes. Enjoy peace of mind with fast, efficient charging—all in one compact device.
