

BOOMPODS®

RHYTHM

sustainably made waterproof speaker

No ordinary speaker. RHYTHM has turned ocean bound plastic into a premium Bluetooth speaker with a difference. The whole side of the speaker lights up and syncs to the beat creating a fully waterproof portable disco. Free optional App allows you full control over countless lighting configurations and control of the sound via the EQ adjustment. And if your pocket size DJ wasn't enough, you can also remotely control your Phone camera to set up the perfect Selfie shot!

further enhance your experience by downloading the Free "BOOMPODS" App, go to the App store.
